

2006 Parkland Disc Golf League

rev2 5-15-06

League will be held every Tuesday at **6:30PM**.

6:15 PM Check-in/Player's meeting.

6:30 PM Tee-off

~8:15 PM Awards, all done by ~8:30 PM.

Format:

18 holes from the blue tees in groups of 4. Groups and starting tee-off holes will be picked at random. Shotgun Start with 2-minute warning.

Cost

Entry fees are \$5/week (due before start of game), of which \$4 goes to the pot for the night, and \$1 goes to the championship pot. An optional \$1 progressive ace pot is available as well. Ace pots will max out at \$100 each. You can only win the ace pot if you have paid your \$1 for that week. If any ace pot money is left over at the end of the 15 weeks, it will be added to the final championship total prize.

Because Park 96 is a private community park, you will need to either be a Parkland resident or have a current Parkland Disc Golf Membership to play. For more information call the Park 96 office at 271-7516.

Scoring

Score cards are marked by another person in your group, chosen randomly by your group. You can not score your own card. At the end of the round, count the score on the card you are marking, total it and mark it down. You can then sign the card off and return it the player. You also need to count your own scorecard and verify the total that the marker has given it by signing your card as well. It is your responsibility to hand in your scorecard at the end of the round.

Average Scores

This year we will continue to use average scores from past league nights. This helps to even the field - any skill level can win any given week! All players compete in one division, just shoot better than you usually do, and you have a shot at winning. We used to call this 'handicap', but it is really just an average.

Parkland Score Averaging System

The Basics

- New players have to play for 3 weeks to establish their average, and only players with an established average are eligible to cash at the end of the night.
- For players that have scores from last year's league, your average is the calculated from your last 10 previous league results. To see the list of handicaps calculated from last year's league, see attached document.

Winners on each night are determined by taking the score and dividing by the handicap, then multiplying by 100. For example, if your average is 58.31 and your score that night is 55; $58.31 / 55 = 1.06018 * 100 = 106.02$. (We are multiplying it by 100 for ease of reading.) Anything over 100 is under your average; anything under 100 is over your average. The bigger the number, the better.

	Average	Score	Total	Placing
Player A	55	50	111.11	1st
Player B	60	55	109.09	2nd
Player C	65	60	108.33	3rd
Player D	70	65	107.69	4th

The above example shows 4 players each getting 5 strokes better than their average score. You can see that this will even things somewhat because it takes

into account that it is harder for a seasoned player to gain 5 strokes on an average, than it is for a beginning player.

The number of winners for the night and the payouts amounts depend on the number of players. Payouts are based on the attached table.

Every week all the averages are recalculated and will be shown on the scorecards the next week. A full list will be available weekly on the website. Your average is based on the last 10 scores that you have submitted so that everyone has the same chance to move their average. Players with less than 10 scores will have their averages based on their currently available number of scores. The minimum of 3 scores is required to establish an average.

Your average will be updated on your scorecard each week. Each scorecard has been designed to hold 5 weeks of scores and averages.

Basic Points System

Points are calculated to determine the top 16 players for the end of year playoffs.

If you are a new player, you will earn 100 points per night until you have recorded three scores. You will not earn additional points for scores that are under your current average, or lose any that are over current average. You are still required to pay the \$5 weekly fee.

If you are a player that has an existing average score, then points will be awarded as follows.

- Nightly score is just your ratio of Score/Average multiplied by 100
- The last 10 scores will be averaged to determine the final 16 players.
- You will need a minimum 10 scores to be in the finals

Finals

At the end of 15 weeks the players LAST 10 scores will be averaged to determine the top 16 players. These players will playoff in the next four weeks in an elimination style ladder to determine the overall winner. (kinda like the NHL playoffs)

NOTE: You must have a minimum of 10 scores to qualify for the finals

There will still be \$5/week fee and the ace pot will still be in effect during playoffs. The total Championship Final amount will be divided between the final two players – 1st Place 75% / 2nd Place 25%)

Course Rules

All holes (except #7 and #11) now have rubber tee-off pads. All tee-offs must be taken from the rubber tee-off surface.

There is one mandatory on the course. It is on hole 4. You must keep right of the light post with the yellow flagging tape. If you go past this post to the left, you must unwind back around to the right of it before continuing to the basket.

Out of Bounds

There is a one stroke penalty if your disc comes to rest as follows:

All Holes - Completely beyond the fence bordering the park
- Completely surrounded by any paved pathway

Hole 2 - Completely inside the tennis court

Hole 3 - On or beyond the paved path on the left

Holes 5, 7, 8, 9 - Completely beyond the 'light post' line

NOTE: There will be **NO 2 metre Out-of Bounds rule this year at Park 96 league**. If your disc comes to rest in a tree, take your next shot directly under where the disc was in the tree. **You do NOT take a stroke.**

SAFETY

REMEMBER - Park users always have the right of way!

Do **NOT** throw if there is any chance of an errant disc hitting someone. Wait until it is clear, or send out a spotter.

Please pick up any trash you may come across and deposit into the garbage bins.
